### **DETAILED ACTION**

The following detailed action is in response to the correspondence filed 9/8/2006.

#### ***Allowable Subject Matter***

1. Claims 13-21 are allowed.
2. The following is an examiner's statement of reasons for allowance:

With respect to claims 13-21, the allowability resides in the overall structure of the device as recited in independent claim 13 and at least in part because claim 13 recites, "providing an electrical connector on said circuit board.. comprising a groove therein.. sliding said clip into said groove".

The aforementioned limitations in combination with all remaining limitations of claim 13 are believed to render said claim 13 and all claims dependent therefrom (Claims 14-21) patentable over the art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
